

Northern New York  
Community Foundation

*Proud partner and sponsor of  
"The Golden Rose  
Capital Campaign"*

Working with donors to benefit the community through grants and scholarships since 1929, the Northern New York Community Foundation has invested in improving and enriching the quality of life for all in communities across Jefferson, Lewis and St. Lawrence counties.

Through strategic partnerships with businesses and organizations, charitable foundations, and generous individual donors, the Community Foundation awards grants and scholarships from an endowment and collection of funds that benefit the community. Its commitment to donors helps individuals achieve their charitable objectives now and for generations to come by preserving legacies of community philanthropy while inspiring others.

**Without you, we  
are just a building.  
With you, we are a  
Society!**

The Jefferson County Historical Society (JCHS) is launching a \$1.5 million capital campaign, rallied around recent grants received to replace the 1878 Paddock Mansion's roof, install a new elevator, and complete the installation of brand-new exhibit technology. \$1.1 million has already been raised, and we need community support to complete our goal. Funds raised above and beyond the \$1.2 million needed for these projects will be placed in an endowment fund, managed by the Northern New York Community Foundation.

We have chosen the Golden Rose as our campaign symbol, signifying the bright optimism, joy, and hope that we have in the Jefferson County Historical Society's future. Please join us in continuing to make history in the future with your generous giving towards our **Golden Rose Capital Campaign**.

Thank you in advance for your support.

Jordan Walker-Rodriguez, *Executive Director*

The Paddock Mansion

Watertown, NY 13601

315.782.3491

## PROTECTION

In the spring of 2019, the Paddock Mansion's roof suffered a severe leak, forcing the museum staff and volunteers to relocate a large portion of artifacts, paintings, and clothing in order to protect them from the incoming rain. A

project long time in coming, this leak has forced the JCHS into the process of replacing the entire 1878 Paddock Mansion roof.

With the help of approximately \$1.1 million already raised, the contracts are in place for the project to begin, but this still leaves about \$50,000 to be raised just to cover the cost of this project.

## ACCESS

As a facility, JCHS lacks a lot of the modern amenities to facilitate our physically challenged or aging visitors' ability to enjoy all that the Paddock Mansion has to offer. Much of the displays open to the public reside on the 2<sup>nd</sup> floor and in the basement, neither of which are currently handicap accessible. With the funds raised through this Capital Campaign, JCHS will be able to install an elevator, allowing full access to all of the museum's great offerings.

## CAMPAIGN GIVING LEVELS

Olive Paddock Founder's Club*	\$10,000 +

## LONGEVITY

The Paddock Mansion & Gardens is an integral part of the Downtown Watertown landscape. With its recent inclusion as a recipient of funds through the Downtown Revitalization Initiative, it was recognized as being one of the organizations best suited to help make Watertown and Jefferson County a great place to work, live, and play.

With help from generous donors like you, we can be sure that the JCHS, as the custodians of Olive Paddock's legacy to educate on and preserve the history of Jefferson County, can keep providing this invaluable service to residents and visitors alike for years to come.
